Hi Steve,  
Thanks again for lunch today. The seniors really enjoyed it, and several asked for your card and information on Cohen Services. Thanks for your promptness and attention to all the details. Everyone said the chicken pot pie was awesome and I really enjoyed the sweet potato soufflé too. It was by far the best lunch we have had! I wish we could have used Cohen Services for catering earlier.

Feel free to post on your website if you want to. =)
